

## HT-G82

120 Watt

The HTDZ HT-G82 is a multipurpose 8-inch 2-way full-range speaker system, suitable for a wide range of applications like auditoriums, houses of worship, and conferences. Its balanced sound is a big asset for the best intelligibility in near-field applications. It features high sensitivity, typical of professional audio cabinets thanks to oversized magnets and a HI-FI sound quality, with smooth and wide frequency response.
